WEATHER REPORT.

clear weather, with rising barometer.

and there were indications of a frost.

Amusements at the Fair.

to be promoted by the Society's fairs are

those which involve progress in agriculture

and kindred sciences, and tend to develop

the material interests of the people. These

are accomplished by contests and compari-

testimonials, by association, and by the

gathering together and intermingling of the

people from different localities, which leads

the establishment of new business relations.

character, and cannot always bind the hu-

man heart and mind, which will look out

for relief to that which amuses and enter-

tains, if it does not directly profit. It is for

this reason that things are permitted and

seen at fairs which may not, on the narrow-

est practical or utilitarian view, appear ap-

propriate. What may be termed amuse-

ments, therefore, perform an important

part in the general programme, care being

taken they shall not be immoral or offensive

On the approach of an annual fair, this

class of attractions are always inquired for,

and exeit no small influence on the people

who attend and pay for their admission.

for the objects which lie at the foundation

For the information of those from whom

have had inquiries, I will say that the ap-

proaching Fair will be rich in the character

of attractions to which I have referred. The

speed-trials appear to excite an unusual in-

terest. Whilst these, in former years, have

been adversely commented on by the reli-

gious press, yet they are necessary not only

as interesting to a large portion of citizens

of both sexes, but as the only means of test-

tention. The tournament of the young

men of the Virginia Tournament Associa-

tion will command the interest which such

displays deserve and always receive. Fol-

lowing this, the programme of the Mau-

which a horse making a half mile in less

than thirty minutes will be forever excluded.

from the turf. The usual, and probably

unusual, number of side-shows for the

amusement of children, and maybe not a

SUDDEN DEATH OF MR. WILLIAM L. SAL-MON.-Mr. William L. Salmon, a wellknown and highly esteemed citizen and tobacconist, died very suddenly at his rest- house for ninety days. William Harris was dence, on the corner of Linden and Main arrested by Officer Collins for picking the streets, Friday night, in the forty-third year | pocket of Mrs. Alexander Moore, of Richof his age, from the effect of a stroke of paralysis. Mr. Salmon had been in bad health for some time; indeed, the disease of which he died was his third stroke of paralysis. On Friday afternoon he remarked that he felt comparatively well, and went out for a ride. After supper he went into his chamber, when some of the family heard a heavy fall, and upon going in found that he had fallen upon the floor. He was taken up and laid on the bed, where he died almost immediately.

The funeral took place Sunday afternoon,
